- **Maintains moisture, balances lipids**
- **Rich consistency**
- **Increases the skin's tension and elasticity**
- **Ensures soft, smooth skin**
- **Improves radiance**
- **Anti-ageing effect and protection against the cold**

Rich Recovery Cream

REGENERATING ANTI-AGEING CARE WATER-IN-OIL EMULSION

Hormonal changes make mature skin thinner, impair its barrier function and reduce its resistance. Rich Recovery Cream is the richer alternative to the Perfect Lift Cream. It has been deliberately developed as a water-in-oil emulsion, as this forms a protective film on the skin and supports the barrier properties of the skin.

The contained Cellular Regeneration Complex – called CRC for short – ensures a comprehensive regeneration of mature skin and strengthens the skin's structure. Red clover extract has been shown to reduce wrinkles, tighten the skin and moisturise. Kombucha, a multi-active ingredient from fermented black tea, improves the radiance. Recent studies show that Kombucha can stimulate the development and maturation of the fat cells in the skin and thus acts as a natural lipo-filling.

In addition, the lipid complex of shea butter, squalene and macadamia nut oil balances out gaps in the moisture supply in areas of dry skin.

Rich Recovery Cream is a powerful massage cream to keep in your bathroom cabinet.

Home care application

Apply Rich Recovery Cream in the morning and/or in the evening on the cleansed skin of the face and décolleté.

***Tip:** Particularly in the winter, Rich Recovery Cream helps to protect the skin from aggressive climatic influences, the cold and dryness.*

***Note:** Face Guard Advanced effectively protects the skin from UV radiation. Simply apply the ultra-light emulsion under the Rich Recovery Cream during the day.*

ACTIVE SUBSTANCES

- **CRC (Cellular Regeneration Complex):**
 - **Red Clover Extract:** Rich in isoflavones, reduces creases, firms the skin, moisturises
 - **Kombucha:** Fermented black tea, smooths the skin thanks to the lipo-filling effect, improves radiance and gives a rosier complexion
- **Vitamin A - Palmitate:** Stimulates cell activity and promotes skin regeneration
- **Saccharide Isomerates:** Moisture-holding substance based on natural sugars, acts as a moisture-magnet, moisturises and binds the moisture in the upper layers of the skin
- **Shea Butter:** Cares intensively for the skin and gives it a soft and gentle feeling
- **Squalene:** Nourishes the skin and protects it against dehydration
- **Macadamia Nut Oil:** Natural oil, gently soothes and softens the skin
